## IMPORTANT GOVERNMENT ORDERS

### REVENUE SECRETARIAT

### Report on the working of the Department of Land Revenue, Survey and Settlement for the year 1945-46.

READ—

Letter No. Sec. 45, dated 18th September 1946, from the Commissioner for Settlement and Land Records in Mysore, submitting a report on the working of the Department of Land Records, Survey and Settlement for the year 1945-46.

ORDER NO. R. 5884-45—L. S. 16-46-2, DATED BANGALORE, THE 24TH DECEMBER 1946.

1. Recorded.

2. The following are among the several special items of work attended to by the Departmental Staff during the year:—

(i) Seven Surveyors were employed for measurement of land acquired for the formation of an industrial suburb in Bangalore Taluk. The work was spread over 8 villages involving measurement of 184 survey numbers and 751 hissas comprising an extent of 1,128 acres and 17 guntas.

(ii) Seven hundred and seventy-nine survey numbers and 1,555 hissas with a total extent of 1,566 acres and 9 guntas spread over 9 villages were measured under Bairamangala Project in Closepet Taluk and under Maralwadi and Alahalli Tanks in Kankanhalli Taluk.

(iii) Measurement, classification and Bandha Pahani were completed in respect of 207 survey numbers covering an extent of 760 acres of lands surrendered to the Revenue Department by the Amrithmahal Department in the Hassan and Arsikere Taluks.

3. *Field Work done during the year.*—(i) Survey, classification, re-classification, bandhpahani and other miscellaneous works were carried out in 56 Inam villages involving 22,407 survey numbers comprising an extent of 8,012 acres and 28 guntas against 18,731 acres and 36 guntas in 93 Inam villages in the year preceding.

Detailed survey was conducted in 12 Inam villages, classification in 8 Inam villages, and re-classification in 2 Inam villages.

(ii) Survey settlement was introduced into five Inam villages.

(iii) The total number of darkhast phod and other miscellaneous records disposed of during the year was 82,277 as against 6,823 in the previous year. Classification work was done in 2,507 (1,994) villages in respect of 7,382 (7,714). survey numbers comprising 29,673 acres and 16 guntas (33,345 acres and 12 guntas). It is thus observed that the work pertaining to this item has shown a decrease.

(iv) The Land Records and Record of Rights staff detected 1,959 cases of encroachment involving an area of 376 acres and 19 guntas with a probable assessment of Rs. 1,130-8-10.

4. *Inams.*—The total number of land inams resumed during the year was 22, resulting in a decrease of Rs. 106-4-0 in the revenue under Jodi and a net increase of Rs. 150-4-0 in the land revenue.

5. *Remuneration to Patels and Shanbhogues.*—Decennial revision of Potgi was effected in respect of 548 villages, leaving a balance of 4,796 villages. Revision of Potgi in accordance

with Government Order No. R. 1744-55—L. R. 58-43-3, dated 3rd October 1944, was effected in respect of 803 villages, leaving a heavy balance of 10,414 villages. Potgi was fixed in respect of three inam villages and biennial revision in respect of 4 villages in the Irwin Canal Area was due. The disposal of work in arrears should be speeded up.

6. *Record of Rights Scheme.*—Hissa survey field work was done in two taluks and 13 Inam villages and Tapasin (check) work in respect of three taluks and 11 Inam villages. The number of hissas measured during the field season was 41,196 (71,050) and the number of hissas checked during the monsoon season was 101,212 (79,986). There is an increase in the number of hissas checked but a substantial decrease in the number measured, for which reasons are not forthcoming. The Record of Rights executive staff attended in addition to the preparation of the Records of Rights and Index of Lands Registers of three taluks and 11 Inam villages, the number of entries made in both these registers being 22,258 and 1,83,388 respectively. The Surveyors posted for mutation work measued altogether 31,351 hissas.

7. *Maps.*—During the year under report, maps of 85 villages were prepared as against 18 in the previous year. Changes and corrections made in the taluk and district maps were duly incorporated in 418 printed copies. The number of village, taluk, district and provincial maps supplied to the public and to the several departments on payment of cost was 2,547 and the amount realised therefrom was Rs. 3,245-14-0. The number of maps used for departmental work was 1,143 valued at Rs. 1,338-8-0. The total value of the maps in stock was Rs. 4,95,662-6-0.

8. *Tours and Inspections.*—The Superintendent of Land Records, Survey and Settlement toured for 105 days during the year and tested the work done by the Surveyors and re-tested the work done by the Supervisors and the District Survey Officers in all the district charges, and inspected also the Barsath Tapasin work, the preparation of Index of Lands and Record of Rights Registers, etc., in the districts where these items of work were in progress. The Superintendent of Land Records, Survey and Settlement inspected also all the seven District Survey Offices, the Office of the Record of Rights of the Special Deputy Amildar, Yelandur Jahagir, and 28 Taluk Offices and also conducted test inspections with a view to ascertain the stage of Land Records and Record of Rights maintenance work in Holenarsipur and T.-Narasipur Taluks. The District Survey Officers of Bangalore, Mysore and Kolar toured for more than 150 days while the touring of the others fell short of the prescribed period, that of the District Survey Officer, Tumkur and Chitaldrug, being the shortest, *viz.*, 104 days. The District Survey Officers have inspected in detail the survey records maintained in the Taluk Offices in their charge as also their own offices.

9. *Cost of the Department.*—The total cost of the department amounted to Rs. 3,28,444-4-3 (Rs. 3,50,851-7-3), of which the cost of the Land Records Department was Rs. 1,33,410-3-3 (Rs. 1,63,883) and the expenditure incurred on the Record of Rights Scheme (preliminary stage) Rs. 1,95,034-1-0 (Rs. 1,86,968-7-3).

## GENERAL SECRETARIAT

### Sanctions the revision of the scales of pay of the Forest Guards in the Forest Department.

READ—

Letter No. E. 293—44-45, dated 8th June 1946, from the Chief Conservator of Forests submitting his proposals for the revision of the scales of pay of the Forest Guards in the Forest Department.

2. Unofficial Note No. 7, dated 10th August 1946, from the same officer on the subject.

ORDER NO. A. F. 3108-9—Ft. 72-46-2, DATED BANGALORE, THE 18TH DECEMBER 1946.

The question of revising the existing scales of pay of the Guards in the Forest Department requires to be considered at present from many points of view. It is seen that the sanctioned cadre of the Forest Guards consists of 820 men in the permanent and 101 in the temporary establishment 6 grades in all on a fixed pay ranging *from* Rs. 11 to per mensem. Government consider that the Forest G though forming the lowest constitute by no means the important link in the executive service of the Forest De ment, that for the efficient protection of forests, a F Officer has to depend largely on the willing co-operation o Forest Guards, much of the success in the protection maintenance of the forest wealth in the State depend mainly on the alertness and vigilance of these Guards and though their work is of such great importance, their pres scales of pay are not in keeping with their responsibilities a the arduous nature of the work which exposes them to co siderable risks. It is also found that as the rules of recru ment now stand, though a Guard is eligible for promotion a Forester, only one out of every three vacancies falls to h share and that as the number of vacancies that becom available annually for being filled up by promotion is ver limited, there is no even flow of promotion from grade to grade resulting in frequent stagnation. The Chief Conservator o Forests has, in consideration of these circumstances, submitted proposals for a revision of the grades of the Guards into a progressive scale of pay of Rs. 17—1/5—22 involving an extra cost of Rs. 5,914 per mensem or Rs. 70,968 per annum and has requested sanction to the same as this would reduce the chances of stagnation and consequent loss of morale in the lower ranks.

2. Government have examined the question in all its aspects and are pleased to direct the adoption of the following grades involving an extra cost of Rs. 5,222 per mensem or roughly, Rs. 62,664 per annum :—

| | | |
|---|---|---|
| Permanent : | 620 | on Rs. 15—1/3—20 |
| | 200 | on Rs. 20—1/3—25 |
| Temporary : | 71 | on Rs. 15—1/3—20 |
| | 30 | on Rs. 20—1/3—25 |

3. The Chief Conservator of Forests is requested to take all further action in the matter of giving effect to the revision of the grades of the Forest Guards as now ordered.

## EDUCATION SECRETARIAT

### Fixes the starting pay of Graduate teachers and Graduate training substitutes at Rs. 50 per mensem with effect from 12th December 1946.

READ—

Government Order No. E. 1712-13—Edn. 36-44-18, dated the 12th October 1944, sanctioning a higher starting salary of Rs. 44 per mensem in grade Rs. 35—3—65—5—100 to the Graduates taking up service in the Education Department temporarily for a period of two years in the first instance.

2. Government Order No. E. 3989-90—Edn. 36-44-52, dated the 15th February 1945, sanctioning the extension of the concession, referred to in the Government Order read above, to Graduate training substitutes also.

3. Letter No. H1. 1024-77 of 46-47, dated the 10th September 1946, from the Director of Public Instruction in Mysore, recommending, in the circumstances mentioned, sanction to the enhancement of the initial pay of Graduate teachers in grade Rs. 35—3—65—5—100 and of Graduate training substitutes to Rs. 50 per mensem.

4. Government Order No. E. 4118-19—Edn. 36-45-51, dated the 30th November 1946, sanctioning the continuance, for a further period of two years, of the higher starting salary to Graduates sanctioned in the Government Orders read above.

ORDER NO. E. 4744-45—Edn. 36-45-52, DATED BANGALORE, THE 30TH DECEMBER 1946.

The Director of Public Instruction in Mysore reports that the position of recruitment of Graduates in the department has not improved even with the initial pay of Rs. 44, that a large number of vacancies from the year 1942-43 are remaining unfilled for dearth of candidates and that, as a result, the work of many schools have suffered. He, therefore, recommends that sanction may be accorded to the enhancement of the initial pay of Graduate teachers in grade Rs. 35—3—65—5—100 and of Graduate training substitutes to Rs. 50 per mensem with effect from 1st July 1946.

In view of the difficulty of attracting Graduate teachers for employment in the Department of Education at the present revised initial pay, Government are pleased to direct that, in modification of Government Order dated the 30th November

1946 read above, the starting pay of Graduate teachers and of Graduate training substitutes be fixed at Rs. 50 per mensem with effect from 12th December 1946, pending the receipt of the report of the Pay Committee appointed to go into the question of the revision of the scales of pay in the several departments of Government. The extra cost required during the current year will be met from the sanctioned grants of the department.

## Sanctions the revision of the scales of pay of Nursing Staff in the Medical Department.

READ—

Government Order No. M. 10749-51—Med. 178-42-16, dated 1st June 1945 passing orders on the report of the Committee appointed to examine the condition of the nursing services.

2. Letter No. C. 1119-33, dated 4th March 1946, from the Chief Medical Officer, Women's Hospitals in Mysore, furnishing proposition statements for revison of scales of pay of nursing staff of the women's section according to the scales proposed by the Committee referred to above and also indicating the extra staff required.

3. Correspondence ending with letter No.G.C. 392-72, dated 30th October 1946, from the Senior Surgeon forwarding similar statements in respect of the nursing staff in the men's section.

ORDER No. M. 6963-7—MED. 42-46-10, DATED BANGALORE, THE 23RD DECEMBER 1946.

On account of the insistent demand made on the floor of the Legislative Council, for the improvement of the conditions of the nursing services, Government appointed a Committee consisting of officials and non-officials with the Senior Surgeon as Chairman to examine and submit necessary recommendations in the matter. While passing orders on the several recommendations made by the Committee, Government observed that uniformity and improvement in the scales of pay of this class of service were necessary and that that could be considered only after ascertaining the financial implications and requested the Senior Surgeon and the Chief Medical Officer to submit proposition statements in accordance with the recommendations of the Committee. The scales of pay suggested by the Committee are as noted below. The two Heads of Departments accordingly submitted proposition statements involving an extra cost of about Rs. 86,130-1-6 per annum in respect of the revision of scales of pay of the existing staff according to the scales suggested by the Committee. Meanwhile the question of revision of scales of pay was also considered by the Policy Committee for Public Health which also accepted the scales of pay referred to below, with the suggestion that the designation "Matron" may be changed to Nursing Superintendents and Sisters :—

Matrons Rs. 200—10—300 *plus* R.A. and U.A. Rs. 46-4-0 per mensem.

Sisters s. 125—5—150 *plus* R.A. and U.A. Rs. 35 per mensem.

Nurses, I Grade, Rs. 80—5/2—100 *plus* R.A. and U.A. 24 per mensem.

Nurses, II Grade, Rs. 55—5/2—75 *plus* R.A. and U.A. 24 per mensem.

Nurses, III Grade, Rs. 35—5/2—50 *plus* R.A. and U.A. 24 per mensem.

In consideration of the fact that nursing service forms an essential part of the hospital treatment, and that the right type of trained nurses in adequate numbers are not forthcoming on account of the low scales of pay obtaining at present, Government consider it necessary to revise the scales of pay so as to attract trained staff. They are accordingly pleased to sanction the scales of pay to the several classes of the nursing staff as noted below :—

Nursing Superintendents, I Grade, Rs. 200—10—300 *plus* R.A. and U.A. at Rs. 45 per mensem.

Nursing Superintendents, II Grade, Rs. 125—5—150 *plus* R.A. and U.A. at Rs. 35 per mensem.

Nurses, I Grade, Rs. 75—5/2—100 *plus* R.A. and U.A. 24 per mensem.

Nurses, II Grade, Rs. 45—5/2—70 *plus* R.A. and U.A. 24 per mensem.

The cadre of III Grade Nurses will be abolished.

According to the existing scales as shown in the proposition statements sent by the Chief Medical Officer and the Senior Surgeon, there are at present 16 members on the supervisory staff including an Assistant Matron in the Vani Vilas Hospital, and 265 nurses distributed over the existing grades. Government are also pleased to fix the strength in the several revised grades as noted below. They direct that there should be a First Grade Superintendent in each of the major hospitals—Victoria, Vani Vilas, Krishnarajendra and Cheluvamba Hospitals :—

| | | | |
|---|---|---|---|
| Nursing Superintendents | | I Grade | ... 4 |
| ,, | | II Grade | ... 12 |
| Nurses | ... | I Grade | ... 53 |
| Nurses | ... | II Grade | ... 212 |

The benefit of the revised scales will be given effect from 1st November 1946. The revision of scales as indicated above is expected to result in an extra average cost about Rs. 1,13,800 per annum and this will be met out of the provision of Rs. 92,000 made in the current year's budget for the purpose.

A statement showing the distribution of the staff among the hospitals in charge of the Senior Surgeon and the Chief Medical Officer is also appended hereto.

They are requested to take very early action to give effect to the revision.

K. THIPPERUDRIAH, *Edn. Secy.*
